THE END

I finally finished (4/29/25, 1:04PM EST) and all it took was over 1 year and 6 months to complete!

You're Reading in the Wrong Direction!!!

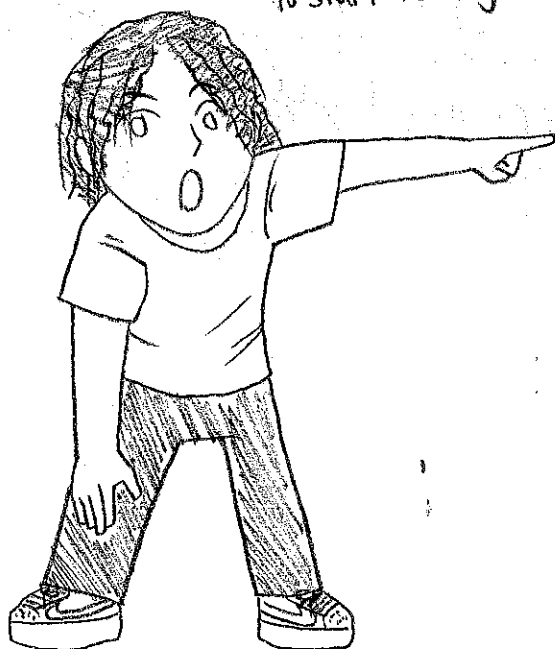

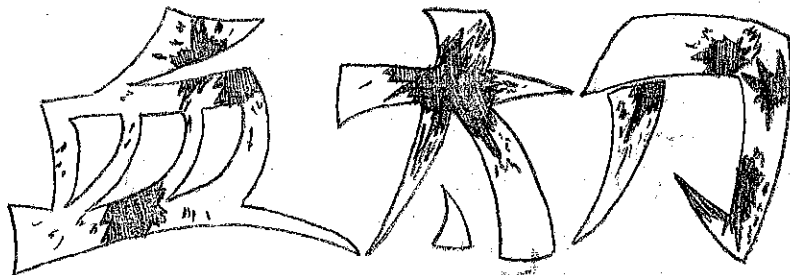

Whoops! Guess what?
you're starting at the
wrong end of the comic!

...It's true! Unlike English,
which is read from left to right,
Japanese is read from right to left.

I'm not writing down the rest of
this but, look at the diagram
to left if you need help figuring
out how to read this comic.

Turn to the other side of the book
to start reading...!

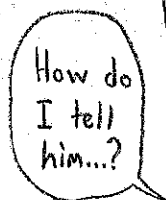

ちたち

I can't wait to wear all of these awesome clothes in this comic!!!

How do I tell him...?

If you type that url into your browser, you will not see anything because I am not finished with my website yet... When I do finish, this comic will be hosted on there.

I forgot to put something here before I scanned this so, here is a random drawing I made just now.
